EPOINT eMenu

"Epoint eMenu - the Interactive Digital Menu". The eMenu becomes each customer's **own personal waiter**, managing **ALL** customer engagement touch points from the time the customers enter the restaurant, allowing customers to browse the menu with recommended dishes, get pairing suggestions, place orders, view bill, and even give feedback immediately.

- Boost sales revenue
- Strengthen brand image
- Impeccable user experience – **interactive**, **user-friendly** and **time-saving**
- Integrated to Epoint POS – Instant Order to Kitchen
- Feedbacks and **customer oriented** Big Data Analysis
